STUDENT ATTENDANCE POLICY:

Martin Community College recognizes that academic success is tied to regular attendance and completion of assigned work and tasks.

The attendance requirement for the ACA 115 course is eighty-five percent (85%). This means a student is only allowed to miss five hours of class time for the entire semester. If a student fails to report to class within 15 minutes of the scheduled beginning time, they will be considered tardy. Three tardy arrivals equal one absence.

Leaving a class session early will result in a tardy (15 minutes early) or absence (over 15 minutes).

The census date is the date on which ten percent (10%) of the total course hours have met. Students must be present in at least one class during the first ten percent of a course in order to be considered enrolled in the class. If a student has not attended at least one class by the ten percent census date, the instructor will mark the attendance roster with an NA for Never Attended. This will affect financial aid.

Students who miss more than six contiguous contact hours or fail to attend 85% of the total class hours without verifiable contact, (In PERSON, by EMAIL or by PHONE) with the instructor will be Administratively Withdrawn from the class by the instructor and given a grade of "WF." The "WF" will be equivalent to an "F" when calculated into the student's GPA.

Keep in mind, students may remove a "WF" by submitting appropriate paperwork for an official withdrawal by the last day to officially withdraw without receiving an "F" which is published in the academic calendar for each academic year.

REQUEST FOR EXCUSED ABSENCES FOR RELIGIOUS OBSERVANCES:

***In compliance with G. S. 115D-5, MCC policy permits a student to be excused, with the opportunity to make-up any test or other missed work, a minimum of two excused absences per academic year for religious observances required by the student's faith. The policy limits the excused absences to a maximum of two days per academic year.**

Students who wish to be excused for a Religious Observance required by their faith must complete and submit a form to the instructor(s) prior to the census date of each class. The **Request for Excused Absences for Religious Observances** form can be picked up from Student Services. This does not supersede the college-wide attendance policy as outlined in the college catalog or syllabus, with the exception of a reasonable accommodation for the make-up of missed course work.

COURSE POLICIES:

1. Students are expected to complete all assignments by the due date. Late work of any kind will not be accepted.
2. Students are expected to actively participate in class by asking and answering questions, sharing in class discussions and class activities, and working in groups. Working in groups requires the respect of your fellow students and all group members doing their fair share of the task.
3. Lying, cheating, and plagiarism are forms of academic dishonesty that violate the integrity of any academic process and will not be tolerated. Any violation will result in disciplinary action such as loss of grade (a zero for an assignment) or loss of credit (an "F" for the course).

4. Use of cell phones and other electronic devices is prohibited during class. These devices should be in the “off” position. If there is an emergency situation and you need your cell phone on, please notify the instructor before the start of class.
5. *This policy is for classes meeting in computer labs. Computer monitors must be OFF during class unless otherwise instructed by the instructor.
