National Small Business Week will be recognized the week of April 29 – May 05, 2018. Martin Community College’s Small Business Center is excited about this opportunity! We plan to culminate National Small Business Week by hosting a “Millennials Entrepreneurship Summit” on Saturday, May 5, 2018.

Our summit will focus on “Next Generation Leadership”. Entrepreneurship education is growing, nationally, as an educational priority. The Millennials Entrepreneurship Summit will provide young people, ages 16 -35, an opportunity to gain important tools for succeeding in business as well as entrepreneurship.

The 2018 Millennials Entrepreneurship Summit aims to inspire economic sustainability through business ownership. It will be a full-day, networking and learning event for aspiring entrepreneurs to bridge the gap between where you are now and where you need to be to build successful businesses. This event will provide you with training in the areas of (1) starting a business, (2) business plans, (3) financing, and (4) marketing. You will also have a forum to connect with other aspiring entrepreneurs and business leaders.

You must be pre-registered to attend this event! No on-site registration will be allowed! Registration deadline is Sunday, April 22<sup>nd</sup>! Please feel free to contact me at 252.789.0202 if you have questions or need more information!

On Saturday, May 5th, we look forward to seeing you on the campus of Martin Community College for an unprecedented opportunity to transform business dreams into reality!

Excitingly,

*Callie Northern-Herring*
