

JUMP Start your education at MCC!

Martin Community College is offering 8-week “minimester” classes (most online) starting March 4!

In just eight weeks you can earn an entire semester of credits toward a two year degree or several transferrable credits toward a four-year degree at a university. Either way, you’re “bound” to get ahead! Don’t delay, enroll today!

Financial aid may still be available! *Enroll now!*

Current students may also register for these classes!
